

2nd Annual Tucson Transplant Symposium Agenda

10/18/2025

Dr. Bekir Tanriover Chief, Division of Nephrology; Professor of Medicine, University of Arizona Dr. Ramesh Batra Chief, Division of Abdominal Transplant Surgery, University of Arizona 8:15-8:45 a.m. Keynote speaker: "Updates on Xenotransplantation" Dr. Burcin Ekser, Professor of Surgery, Loyola University 8:45-9:15 a.m. Keynote speaker: "Controversies in Living Donation" Dr. John Gill, Professor of Medicine, University of British Columbia, Division of Nephrology, St. Paul's Hospital 9:15-9:45 a.m. "FSGS: Genetics and reoccurrence" Dr. Asmaa Abu Maziad – Associate Professor Pediatric Nephrology, University of Arizona 9:45-10:00 a.m. Break/ coffee/ vendor exhibits 10:00-10:30 a.m. "Allograft rejection and treatment options" Dr. Venkatesh Ariyamuthu, Professor of Medicine; Medical Director of Panacreas/Kidney Transplant, University of Arizona 10:30-11:00 a.m. "K Viremia in the post-transplant patient" Dr. Abd Qannus, Assistant Professor of Medicine, Transplant Nephrology, University of Arizona 11:00-11:30 a.m. "CMV in the post-transplant patient" Dr. Eduardo Sanchez, Assistant Professor of Medicine, Division of Infectious Diseases, University of Arizona 11:30-12:00 p.m. "Life after donation: The life story of Maribel Costell" Betsy Zidel, Living Donor RN Coordinator, and Maribel Costell, Living Donor Facilitator 12:00-1:00 p.m. "Caregivers and Transplant: Why you need them" Sara Kroll, LMSW, Transplant Social Worker 1:30-2:00 p.m. "Pearls of post-transplant medications" Alyssa Mutz, PharmD, BCPS, Transplant Pharmacist and Ruhani Alam, PharmD, BCPS, Transplant, University of Arizona "Surgical updates in organ transplantation" Dr. Alexandra Turner, Associate Professor, Department of Surgery, Abdominal Transplant, University of Arizona	7:30-8:00 a.m.	Registration/ light breakfast/ vendor exhibits
Chief, Division of Nephrology; Professor of Medicine, University of Arizona Dr. Ramesh Batra Chief, Division of Abdominal Transplant Surgery, University of Arizona 8:15-8:45 a.m. Keynote speaker: "Updates on Xenotransplantation" Dr. Burcin Ekser, Professor of Surgery, Loyola University 8:45-9:15 a.m. Keynote speaker: "Controversies in Living Donation" Dr. John Gill, Professor of Medicine, University of British Columbia, Division of Nephrology, St. Paul's Hospital 9:15-9:45 a.m. "FSGS: Genetics and reoccurrence" Dr. Asmaa Abu Maziad – Associate Professor Pediatric Nephrology, University of Arizona 9:45-10:00 a.m. Break/ coffee/ vendor exhibits 10:00-10:30 a.m. "Allograft rejection and treatment options" Dr. Venkatesh Ariyamuthu, Professor of Medicine; Medical Director of Pancreas/Kidney Transplant, University of Arizona 10:30-11:00 a.m. "KK Viremia in the post-transplant patient" Dr. Abd Qannus, Assistant Professor of Medicine, Transplant Nephrology, University of Arizona 11:00-11:30 a.m. "CMV in the post-transplant patient" Dr. Eduardo Sanchez, Assistant Professor of Medicine, Division of Infectious Diseases, University of Arizona 11:30-12:00 p.m. "Life after donation: The life story of Maribel Costell" Betsy Zidel, Living Donor RN Coordinator, and Maribel Costell, Living Donor Facilitator 12:00-1:30 p.m. "Caregivers and Transplant: Why you need them" Sara Kroll, LMSW, Transplant Social Worker 1:30-2:00 p.m. "Pearls of post-transplant medications" Alyssa Mutz, PharmD, BCPS, Transplant Pharmacist and Ruhani Alam, PharmD, BCPS, Transplant Pharmacist "Surgical updates in organ transplantation" Dr. Alexandra Turner, Associate Professor, Department of Surgery, Abdominal Transplant, University of Arizona	8-8:15 a.m.	Welcome/ Introduction
Dr. Ramesh Batra Chief, Division of Abdominal Transplant Surgery, University of Arizona 8:15-8:45 a.m. Keynote speaker: "Updates on Xenotransplantation" Dr. Burcin Ekser, Professor of Surgery, Loyola University 8:45-9:15 a.m. Keynote speaker: "Controversies in Living Donation" Dr. John Gill, Professor of Medicine, University of British Columbia, Division of Nephrology, St. Paul's Hospital 9:15-9:45 a.m. "FSGS: Genetics and reoccurrence" Dr. Asmaa Abu Maziad — Associate Professor Pediatric Nephrology, University of Arizona 9:45-10:00 a.m. Break/coffee/ vendor exhibits 10:00-10:30 a.m. "Allograft rejection and treatment options" Dr. Venkatesh Ariyamuthu, Professor of Medicine; Medical Director of Pancreas/Kidney Transplant, University of Arizona 10:30-11:00 a.m. "BK Viremia in the post-transplant patient" Dr. Abd Qannus, Assistant Professor of Medicine, Transplant Nephrology, University of Arizona 11:00-11:30 a.m. "CMV in the post-transplant patient" Dr. Eduardo Sanchez, Assistant Professor of Medicine, Division of Infectious Diseases, University of Arizona 11:30-12:00 p.m. "Life after donation: The life story of Maribel Costell" Betsy Zidel, Living Donor RN Coordinator, and Maribel Costell, Living Donor Facilitator 12:00-1:30 p.m. "Caregivers and Transplant: Why you need them" Sara Kroll, LMSW, Transplant Social Worker 1:30-2:00 p.m. "Pearls of post-transplant medications" Alyssa Mutz, PharmD, BCPS, Transplant Pharmacist and Ruhani Alam, PharmD, BCPS, Transplant Pharmacist "Surgical updates in organ transplantation" Dr. Alexandra Turner, Associate Professor, Department of Surgery, Abdominal Transplant, University of Arizona		Dr. Bekir Tanriover
8:15-8:45 a.m. Keynote speaker: "Updates on Xenotransplantation" Dr. Burcin Ekser, Professor of Surgery, Loyola University 8:45-9:15 a.m. Keynote speaker: "Controversies in Living Donation" Dr. John Gill, Professor of Medicine, University of British Columbia, Division of Nephrology, St. Paul's Hospital 9:15-9:45 a.m. "FSGS: Genetics and reoccurrence" Dr. Asmaa Abu Maziad – Associate Professor Pediatric Nephrology, University of Arizona 9:45-10:00 a.m. Break/ coffee/ vendor exhibits 10:00-10:30 a.m. "Allograft rejection and treatment options" Dr. Venkatesh Ariyamuthu, Professor of Medicine; Medical Director of Pancreas/Kidney Transplant, University of Arizona 10:30-11:00 a.m. "BK Viremia in the post-transplant patient" Dr. Abd Qannus, Assistant Professor of Medicine, Transplant Nephrology, University of Arizona 11:00-11:30 a.m. "CMV in the post-transplant patient" Dr. Eduardo Sanchez, Assistant Professor of Medicine, Division of Infectious Diseases, University of Arizona 11:30-12:00 p.m. "Life after donation: The life story of Maribel Costell, Living Donor Facilitator 12:00-1:00 p.m. Lunch/ vendor exhibits "Caregivers and Transplant: Why you need them" Sara Kroll, LMSW, Transplant Social Worker "Pearls of post-transplant medications" Alyssa Mutz, PharmD, BCPS, Transplant Pharmacist and Ruhani Alam, PharmD, BCPS, Transplant Pharmacist "Surgical updates in organ transplantation" Dr. Alexandra Turner, Associate Professor, Department of Surgery, Abdominal Transplant, University of Arizona		Chief, Division of Nephrology; Professor of Medicine, University of Arizona
8:15-8:45 a.m. Keynote speaker: "Updates on Xenotransplantation" Dr. Burcin Ekser, Professor of Surgery, Loyola University 8:45-9:15 a.m. Keynote speaker: "Controversies in Living Donation" Dr. John Gill, Professor of Medicine, University of British Columbia, Division of Nephrology, St. Paul's Hospital 9:15-9:45 a.m. "FSGS: Genetics and reoccurrence" Dr. Asmaa Abu Maziad — Associate Professor Pediatric Nephrology, University of Arizona 9:45-10:00 a.m. Break/ coffee/ vendor exhibits 10:00-10:30 a.m. "Allograft rejection and treatment options" Dr. Venkatesh Ariyamuthu, Professor of Medicine; Medical Director of Pancreas/Kidney Transplant, University of Arizona 10:30-11:00 a.m. "BK Viremia in the post-transplant patient" Dr. Abd Qannus, Assistant Professor of Medicine, Transplant Nephrology, University of Arizona "CMV in the post-transplant patient" Dr. Eduardo Sanchez, Assistant Professor of Medicine, Division of Infectious Diseases, University of Arizona 11:30-12:00 p.m. "Life after donation: The life story of Maribel Costell," Betsy Zidel, Living Donor RN Coordinator, and Maribel Costell, Living Donor Facilitator 1:00-1:30 p.m. Lunch/ vendor exhibits "Caregivers and Transplant: Why you need them" Sara Kroll, LMSW, Transplant Social Worker 1:30-2:00 p.m. "Pearls of post-transplant medications" Alyssa Mutz, Pharma, BCPS, Transplant Pharmacist and Ruhani Alam, PharmD, BCPS, Transplant Pharmacist "Surgical updates in organ transplantation" Dr. Alexandra Turner, Associate Professor, Department of Surgery, Abdominal Transplant, University of Arizona		Dr. Ramesh Batra
Burcin Ekser, Professor of Surgery, Loyola University 8:45-9:15 a.m. Keynote speaker: "Controversies in Living Donation" Dr. John Gill, Professor of Medicine, University of British Columbia, Division of Nephrology, St. Paul's Hospital 9:15-9:45 a.m. "FSGS: Genetics and reoccurrence" Dr. Asmaa Abu Maziad – Associate Professor Pediatric Nephrology, University of Arizona 9:45-10:00 a.m. Break/ coffee/ vendor exhibits 10:00-10:30 a.m. "Allograft rejection and treatment options" Dr. Venkatesh Ariyamuthu, Professor of Medicine; Medical Director of Pancreas/Kidney Transplant, University of Arizona 10:30-11:00 a.m. "BK Viremia in the post-transplant patient" Dr. Abd Qannus, Assistant Professor of Medicine, Transplant Nephrology, University of Arizona 11:00-11:30 a.m. "CMV in the post-transplant patient" Dr. Eduardo Sanchez, Assistant Professor of Medicine, Division of Infectious Diseases, University of Arizona 11:30-12:00 p.m. "Life after donation: The life story of Maribel Costell, Living Donor Facilitator 12:00-1:00 p.m. "Caregivers and Transplant: Why you need them" Sara Kroll, LMSW, Transplant Social Worker 1:30-2:00 p.m. "Pearls of post-transplant medications" Alyssa Mutz, PharmD, BCPS, Transplant Pharmacist and Ruhani Alam, PharmD, BCPS, Transplant Pharmacist "Surgical updates in organ transplantation" Dr. Alexandra Turner, Associate Professor, Department of Surgery, Abdominal Transplant, University of Arizona		Chief, Division of Abdominal Transplant Surgery, University of Arizona
8:45-9:15 a.m. Keynote speaker: "Controversies in Living Donation" Dr. John Gill, Professor of Medicine, University of British Columbia, Division of Nephrology, St. Paul's Hospital 9:15-9:45 a.m. "FSGS: Genetics and reoccurrence" Dr. Asmaa Abu Maziad – Associate Professor Pediatric Nephrology, University of Arizona 9:45-10:00 a.m. Break/ coffee/ vendor exhibits 10:00-10:30 a.m. "Allograft rejection and treatment options" Dr. Venkatesh Ariyamuthu, Professor of Medicine; Medical Director of Pancreas/Kidney Transplant, University of Arizona 10:30-11:00 a.m. "BK Viremia in the post-transplant patient" Dr. Abd Qannus, Assistant Professor of Medicine, Transplant Nephrology, University of Arizona 11:00-11:30 a.m. "CMV in the post-transplant patient" Dr. Eduardo Sanchez, Assistant Professor of Medicine, Division of Infectious Diseases, University of Arizona 11:30-12:00 p.m. "Life after donation: The life story of Maribel Costell" Betsy Zidel, Living Donor RN Coordinator, and Maribel Costell, Living Donor Facilitator 12:00-1:00 p.m. "Caregivers and Transplant: Why you need them" Sara Kroll, LMSW, Transplant Social Worker "Pearls of post-transplant medications" Alyssa Mutz, PharmD, BCPS, Transplant Pharmacist and Ruhani Alam, PharmD, BCPS, Transplant Pharmacist "Surgical updates in organ transplantation" Dr. Alexandra Turner, Associate Professor, Department of Surgery, Abdominal Transplant, University of Arizona	8:15-8:45 a.m.	Keynote speaker: "Updates on Xenotransplantation"
Dr. John Gill, Professor of Medicine, University of British Columbia, Division of Nephrology, St. Paul's Hospital 9:15-9:45 a.m. "FSGS: Genetics and reoccurrence" Dr. Asmaa Abu Maziad – Associate Professor Pediatric Nephrology, University of Arizona 9:45-10:00 a.m. Break/ coffee/ vendor exhibits 10:00-10:30 a.m. "Allograft rejection and treatment options" Dr. Venkatesh Ariyamuthu, Professor of Medicine; Medical Director of Pancreas/Kidney Transplant, University of Arizona 10:30-11:00 a.m. "BK Viremia in the post-transplant patient" Dr. Abd Qannus, Assistant Professor of Medicine, Transplant Nephrology, University of Arizona 11:00-11:30 a.m. "CMV in the post-transplant patient" Dr. Eduardo Sanchez, Assistant Professor of Medicine, Division of Infectious Diseases, University of Arizona 11:30-12:00 p.m. "Life after donation: The life story of Maribel Costell" Betsy Zidel, Living Donor RN Coordinator, and Maribel Costell, Living Donor Facilitator 12:00-1:30 p.m. "Caregivers and Transplant: Why you need them" Sara Kroll, LMSW, Transplant Social Worker 1:30-2:00 p.m. "Pearls of post-transplant medications" Alyssa Mutz, PharmD, BCPS, Transplant Pharmacist and Ruhani Alam, PharmD, BCPS, Transplant Pharmacist in Organt Transplant, University of Arizona "Surgical updates in organ transplantation" Dr. Alexandra Turner, Associate Professor, Department of Surgery, Abdominal Transplant, University of Arizona		Dr. Burcin Ekser, <i>Professor of Surgery, Loyola University</i>
9:15-9:45 a.m. "FSGS: Genetics and reoccurrence" Dr. Asmaa Abu Maziad – Associate Professor Pediatric Nephrology, University of Arizona 9:45-10:00 a.m. Break/ coffee/ vendor exhibits "Allograft rejection and treatment options" Dr. Venkatesh Ariyamuthu, Professor of Medicine; Medical Director of Pancreas/Kidney Transplant, University of Arizona 10:30-11:00 a.m. "BK Viremia in the post-transplant patient" Dr. Abd Qannus, Assistant Professor of Medicine, Transplant Nephrology, University of Arizona 11:00-11:30 a.m. "CMV in the post-transplant patient" Dr. Eduardo Sanchez, Assistant Professor of Medicine, Division of Infectious Diseases, University of Arizona 11:30-12:00 p.m. "Life after donation: The life story of Maribel Costell" Betsy Zidel, Living Donor RN Coordinator, and Maribel Costell, Living Donor Facilitator 12:00-1:00 p.m. "Caregivers and Transplant: Why you need them" Sara Kroll, LMSW, Transplant Social Worker 1:30-2:00 p.m. "Pearls of post-transplant medications" Alyssa Mutz, PharmD, BCPS, Transplant Pharmacist and Ruhani Alam, PharmD, BCPS, Transplant Pharmacist 2:00-2:30 p.m. "Surgical updates in organ transplantation" Dr. Alexandra Turner, Associate Professor, Department of Surgery, Abdominal Transplant, University of Arizona	8:45-9:15 a.m.	Keynote speaker: "Controversies in Living Donation"
9:15-9:45 a.m. "FSGS: Genetics and reoccurrence" Dr. Asmaa Abu Maziad – Associate Professor Pediatric Nephrology, University of Arizona 9:45-10:00 a.m. Break/ coffee/ vendor exhibits 10:00-10:30 a.m. "Allograft rejection and treatment options" Dr. Venkatesh Ariyamuthu, Professor of Medicine; Medical Director of Pancreas/Kidney Transplant, University of Arizona 10:30-11:00 a.m. "BK Viremia in the post-transplant patient" Dr. Abd Qannus, Assistant Professor of Medicine, Transplant Nephrology, University of Arizona 11:00-11:30 a.m. "CMV in the post-transplant patient" Dr. Eduardo Sanchez, Assistant Professor of Medicine, Division of Infectious Diseases, University of Arizona 11:30-12:00 p.m. "Life after donation: The life story of Maribel Costell" Betsy Zidel, Living Donor RN Coordinator, and Maribel Costell, Living Donor Facilitator 12:00-1:00 p.m. "Caregivers and Transplant: Why you need them" Sara Kroll, LMSW, Transplant Social Worker "Pearls of post-transplant medications" Alyssa Mutz, PharmD, BCPS, Transplant Pharmacist and Ruhani Alam, PharmD, BCPS, Transplant Pharmacist 2:00-2:30 p.m. "Surgical updates in organ transplantation" Dr. Alexandra Turner, Associate Professor, Department of Surgery, Abdominal Transplant, University of Arizona		Dr. John Gill, Professor of Medicine, University of British Columbia, Division of
Dr. Asmaa Abu Maziad – Associate Professor Pediatric Nephrology, University of Arizona 9:45-10:00 a.m. Break/ coffee/ vendor exhibits 10:00-10:30 a.m. "Allograft rejection and treatment options" Dr. Venkatesh Ariyamuthu, Professor of Medicine; Medical Director of Pancreas/Kidney Transplant, University of Arizona 10:30-11:00 a.m. "Bk Viremia in the post-transplant patient" Dr. Abd Qannus, Assistant Professor of Medicine, Transplant Nephrology, University of Arizona 11:00-11:30 a.m. "CMV in the post-transplant patient" Dr. Eduardo Sanchez, Assistant Professor of Medicine, Division of Infectious Diseases, University of Arizona 11:30-12:00 p.m. "Life after donation: The life story of Maribel Costell" Betsy Zidel, Living Donor RN Coordinator, and Maribel Costell, Living Donor Facilitator 12:00-1:00 p.m. "Caregivers and Transplant: Why you need them" Sara Kroll, LMSW, Transplant Social Worker 1:30-2:00 p.m. "Pearls of post-transplant medications" Alyssa Mutz, PharmD, BCPS, Transplant Pharmacist and Ruhani Alam, PharmD, BCPS, Transplant Pharmacist 2:00-2:30 p.m. "Surgical updates in organ transplantation" Dr. Alexandra Turner, Associate Professor, Department of Surgery, Abdominal Transplant, University of Arizona		Nephrology, St. Paul's Hospital
9:45-10:00 a.m. Break/ coffee/ vendor exhibits 10:00-10:30 a.m. "Allograft rejection and treatment options" Dr. Venkatesh Ariyamuthu, Professor of Medicine; Medical Director of Pancreas/Kidney Transplant, University of Arizona 10:30-11:00 a.m. "BK Viremia in the post-transplant patient" Dr. Abd Qannus, Assistant Professor of Medicine, Transplant Nephrology, University of Arizona 11:00-11:30 a.m. "CMV in the post-transplant patient" Dr. Eduardo Sanchez, Assistant Professor of Medicine, Division of Infectious Diseases, University of Arizona 11:30-12:00 p.m. "Life after donation: The life story of Maribel Costell" Betsy Zidel, Living Donor RN Coordinator, and Maribel Costell, Living Donor Facilitator 12:00-1:00 p.m. Lunch/ vendor exhibits 1:00-1:30 p.m. "Caregivers and Transplant: Why you need them" Sara Kroll, LMSW, Transplant Social Worker 1:30-2:00 p.m. "Pearls of post-transplant medications" Alyssa Mutz, PharmD, BCPS, Transplant Pharmacist and Ruhani Alam, PharmD, BCPS, Transplant Pharmacist "Surgical updates in organ transplantation" Dr. Alexandra Turner, Associate Professor, Department of Surgery, Abdominal Transplant, University of Arizona	9:15-9:45 a.m.	"FSGS: Genetics and reoccurrence"
9:45-10:00 a.m. Break/ coffee/ vendor exhibits 10:00-10:30 a.m. "Allograft rejection and treatment options" Dr. Venkatesh Ariyamuthu, Professor of Medicine; Medical Director of Pancreas/Kidney Transplant, University of Arizona 10:30-11:00 a.m. "BK Viremia in the post-transplant patient" Dr. Abd Qannus, Assistant Professor of Medicine, Transplant Nephrology, University of Arizona 11:00-11:30 a.m. "CMV in the post-transplant patient" Dr. Eduardo Sanchez, Assistant Professor of Medicine, Division of Infectious Diseases, University of Arizona 11:30-12:00 p.m. "Life after donation: The life story of Maribel Costell" Betsy Zidel, Living Donor RN Coordinator, and Maribel Costell, Living Donor Facilitator 12:00-1:00 p.m. "Caregivers and Transplant: Why you need them" Sara Kroll, LMSW, Transplant Social Worker 1:30-2:00 p.m. "Pearls of post-transplant medications" Alyssa Mutz, PharmD, BCPS, Transplant Pharmacist and Ruhani Alam, PharmD, BCPS, Transplant Pharmacist 2:00-2:30 p.m. "Surgical updates in organ transplantation" Dr. Alexandra Turner, Associate Professor, Department of Surgery, Abdominal Transplant, University of Arizona		Dr. Asmaa Abu Maziad – Associate Professor Pediatric Nephrology, University of
10:00-10:30 a.m. "Allograft rejection and treatment options" Dr. Venkatesh Ariyamuthu, Professor of Medicine; Medical Director of Pancreas/Kidney Transplant, University of Arizona 10:30-11:00 a.m. "BK Viremia in the post-transplant patient" Dr. Abd Qannus, Assistant Professor of Medicine, Transplant Nephrology, University of Arizona 11:00-11:30 a.m. "CMV in the post-transplant patient" Dr. Eduardo Sanchez, Assistant Professor of Medicine, Division of Infectious Diseases, University of Arizona 11:30-12:00 p.m. "Life after donation: The life story of Maribel Costell" Betsy Zidel, Living Donor RN Coordinator, and Maribel Costell, Living Donor Facilitator 12:00-1:00 p.m. Lunch/ vendor exhibits "Caregivers and Transplant: Why you need them" Sara Kroll, LMSW, Transplant Social Worker "Pearls of post-transplant medications" Alyssa Mutz, PharmD, BCPS, Transplant Pharmacist and Ruhani Alam, PharmD, BCPS, Transplant Pharmacist "Surgical updates in organ transplantation" Dr. Alexandra Turner, Associate Professor, Department of Surgery, Abdominal Transplant, University of Arizona		Arizona
Dr. Venkatesh Ariyamuthu, Professor of Medicine; Medical Director of Pancreas/Kidney Transplant, University of Arizona 10:30-11:00 a.m. "BK Viremia in the post-transplant patient" Dr. Abd Qannus, Assistant Professor of Medicine, Transplant Nephrology, University of Arizona 11:00-11:30 a.m. "CMV in the post-transplant patient" Dr. Eduardo Sanchez, Assistant Professor of Medicine, Division of Infectious Diseases, University of Arizona 11:30-12:00 p.m. "Life after donation: The life story of Maribel Costell" Betsy Zidel, Living Donor RN Coordinator, and Maribel Costell, Living Donor Facilitator 12:00-1:00 p.m. Lunch/vendor exhibits 1:00-1:30 p.m. "Caregivers and Transplant: Why you need them" Sara Kroll, LMSW, Transplant Social Worker 1:30-2:00 p.m. "Pearls of post-transplant medications" Alyssa Mutz, PharmD, BCPS, Transplant Pharmacist and Ruhani Alam, PharmD, BCPS, Transplant Pharmacist 2:00-2:30 p.m. "Surgical updates in organ transplantation" Dr. Alexandra Turner, Associate Professor, Department of Surgery, Abdominal Transplant, University of Arizona	9:45-10:00 a.m.	Break/ coffee/ vendor exhibits
10:30-11:00 a.m. "BK Viremia in the post-transplant patient" Dr. Abd Qannus, Assistant Professor of Medicine, Transplant Nephrology, University of Arizona 11:00-11:30 a.m. "CMV in the post-transplant patient" Dr. Eduardo Sanchez, Assistant Professor of Medicine, Division of Infectious Diseases, University of Arizona 11:30-12:00 p.m. "Life after donation: The life story of Maribel Costell" Betsy Zidel, Living Donor RN Coordinator, and Maribel Costell, Living Donor Facilitator 12:00-1:00 p.m. "Caregivers and Transplant: Why you need them" Sara Kroll, LMSW, Transplant Social Worker 1:30-2:00 p.m. "Pearls of post-transplant medications" Alyssa Mutz, PharmD, BCPS, Transplant Pharmacist and Ruhani Alam, PharmD, BCPS, Transplant Pharmacist 2:00-2:30 p.m. "Surgical updates in organ transplantation" Dr. Alexandra Turner, Associate Professor, Department of Surgery, Abdominal Transplant, University of Arizona	10:00-10:30 a.m.	"Allograft rejection and treatment options"
10:30-11:00 a.m. "BK Viremia in the post-transplant patient" Dr. Abd Qannus, Assistant Professor of Medicine, Transplant Nephrology, University of Arizona "CMV in the post-transplant patient" Dr. Eduardo Sanchez, Assistant Professor of Medicine, Division of Infectious Diseases, University of Arizona 11:30-12:00 p.m. "Life after donation: The life story of Maribel Costell" Betsy Zidel, Living Donor RN Coordinator, and Maribel Costell, Living Donor Facilitator 12:00-1:00 p.m. "Caregivers and Transplant: Why you need them" Sara Kroll, LMSW, Transplant Social Worker 1:30-2:00 p.m. "Pearls of post-transplant medications" Alyssa Mutz, PharmD, BCPS, Transplant Pharmacist and Ruhani Alam, PharmD, BCPS, Transplant Pharmacist 2:00-2:30 p.m. "Surgical updates in organ transplantation" Dr. Alexandra Turner, Associate Professor, Department of Surgery, Abdominal Transplant, University of Arizona		Dr. Venkatesh Ariyamuthu, Professor of Medicine; Medical Director of
Dr. Abd Qannus, Assistant Professor of Medicine, Transplant Nephrology, University of Arizona "CMV in the post-transplant patient" Dr. Eduardo Sanchez, Assistant Professor of Medicine, Division of Infectious Diseases, University of Arizona 11:30-12:00 p.m. "Life after donation: The life story of Maribel Costell" Betsy Zidel, Living Donor RN Coordinator, and Maribel Costell, Living Donor Facilitator 12:00-1:00 p.m. Lunch/ vendor exhibits "Caregivers and Transplant: Why you need them" Sara Kroll, LMSW, Transplant Social Worker 1:30-2:00 p.m. "Pearls of post-transplant medications" Alyssa Mutz, PharmD, BCPS, Transplant Pharmacist and Ruhani Alam, PharmD, BCPS, Transplant Pharmacist "Surgical updates in organ transplantation" Dr. Alexandra Turner, Associate Professor, Department of Surgery, Abdominal Transplant, University of Arizona		Pancreas/Kidney Transplant, University of Arizona
11:00-11:30 a.m. "CMV in the post-transplant patient" Dr. Eduardo Sanchez, Assistant Professor of Medicine, Division of Infectious Diseases, University of Arizona 11:30-12:00 p.m. "Life after donation: The life story of Maribel Costell" Betsy Zidel, Living Donor RN Coordinator, and Maribel Costell, Living Donor Facilitator 12:00-1:00 p.m. Lunch/ vendor exhibits 1:00-1:30 p.m. "Caregivers and Transplant: Why you need them" Sara Kroll, LMSW, Transplant Social Worker 1:30-2:00 p.m. "Pearls of post-transplant medications" Alyssa Mutz, PharmD, BCPS, Transplant Pharmacist and Ruhani Alam, PharmD, BCPS, Transplant Pharmacist 2:00-2:30 p.m. "Surgical updates in organ transplantation" Dr. Alexandra Turner, Associate Professor, Department of Surgery, Abdominal Transplant, University of Arizona	10:30-11:00 a.m.	"BK Viremia in the post-transplant patient"
11:30-11:30 a.m. "CMV in the post-transplant patient" Dr. Eduardo Sanchez, Assistant Professor of Medicine, Division of Infectious Diseases, University of Arizona "Life after donation: The life story of Maribel Costell" Betsy Zidel, Living Donor RN Coordinator, and Maribel Costell, Living Donor Facilitator 12:00-1:00 p.m. Lunch/ vendor exhibits "Caregivers and Transplant: Why you need them" Sara Kroll, LMSW, Transplant Social Worker 1:30-2:00 p.m. "Pearls of post-transplant medications" Alyssa Mutz, PharmD, BCPS, Transplant Pharmacist and Ruhani Alam, PharmD, BCPS, Transplant Pharmacist 2:00-2:30 p.m. "Surgical updates in organ transplantation" Dr. Alexandra Turner, Associate Professor, Department of Surgery, Abdominal Transplant, University of Arizona		Dr. Abd Qannus, Assistant Professor of Medicine, Transplant Nephrology,
Dr. Eduardo Sanchez, Assistant Professor of Medicine, Division of Infectious Diseases, University of Arizona 11:30-12:00 p.m. "Life after donation: The life story of Maribel Costell" Betsy Zidel, Living Donor RN Coordinator, and Maribel Costell, Living Donor Facilitator 12:00-1:00 p.m. Lunch/vendor exhibits "Caregivers and Transplant: Why you need them" Sara Kroll, LMSW, Transplant Social Worker 1:30-2:00 p.m. "Pearls of post-transplant medications" Alyssa Mutz, PharmD, BCPS, Transplant Pharmacist and Ruhani Alam, PharmD, BCPS, Transplant Pharmacist 2:00-2:30 p.m. "Surgical updates in organ transplantation" Dr. Alexandra Turner, Associate Professor, Department of Surgery, Abdominal Transplant, University of Arizona		
11:30-12:00 p.m. "Life after donation: The life story of Maribel Costell" Betsy Zidel, Living Donor RN Coordinator, and Maribel Costell, Living Donor Facilitator 12:00-1:00 p.m. Lunch/ vendor exhibits 1:00-1:30 p.m. "Caregivers and Transplant: Why you need them" Sara Kroll, LMSW, Transplant Social Worker 1:30-2:00 p.m. "Pearls of post-transplant medications" Alyssa Mutz, PharmD, BCPS, Transplant Pharmacist and Ruhani Alam, PharmD, BCPS, Transplant Pharmacist 2:00-2:30 p.m. "Surgical updates in organ transplantation" Dr. Alexandra Turner, Associate Professor, Department of Surgery, Abdominal Transplant, University of Arizona	11:00-11:30 a.m.	"CMV in the post-transplant patient"
### Tife after donation: The life story of Maribel Costell" Betsy Zidel, Living Donor RN Coordinator, and Maribel Costell, Living Donor Facilitator 12:00-1:00 p.m.		Dr. Eduardo Sanchez, Assistant Professor of Medicine, Division of Infectious
Betsy Zidel, Living Donor RN Coordinator, and Maribel Costell, Living Donor Facilitator 12:00-1:00 p.m. Lunch/ vendor exhibits 1:00-1:30 p.m. "Caregivers and Transplant: Why you need them" Sara Kroll, LMSW, Transplant Social Worker 1:30-2:00 p.m. "Pearls of post-transplant medications" Alyssa Mutz, PharmD, BCPS, Transplant Pharmacist and Ruhani Alam, PharmD, BCPS, Transplant Pharmacist 2:00-2:30 p.m. "Surgical updates in organ transplantation" Dr. Alexandra Turner, Associate Professor, Department of Surgery, Abdominal Transplant, University of Arizona		Diseases, University of Arizona
