

Announcement for **September 16, 2024** Pediatric Neuroscience Grand Rounds.

The University of Arizona College of Medicine – Tucson

**Phoenix  
Children's**

**Barrow**  
Neurological Institute

## **Barrow at Phoenix Children's Neuroscience Grand Rounds**

### ***Case-Based Neurology with Experts***

**Kara Stuart Lewis, MD, FAAN, FAHS:**

Director, Neuroscience Education Committee

Child Neurologist

Barrow Neurological Institute at Phoenix Children's

#### **Learning Objectives**

At the conclusion of this activity, participants will be able to:

Recognize the benefit of a multidisciplinary approach within neurology subspecialty fields for initial diagnosis and ongoing management of children with complex neurological symptoms or conditions.

Explain when to obtain additional neurological subspecialty consultant involvement in the care of children with complex neurological symptoms or conditions.

### **Barrow at Phoenix Children's Virtual Live Streaming Neuroscience Grand Rounds Monday's from 7:00 – 8:00 a.m.**

Zoom Information: CNI Grand Rounds

Meeting ID: 993 7837 3233

Join from PC, Mac, iOS or Android:

<https://PhoenixChildrensHospital.zoom.us/j/99378373233?pwd=UXBudHZLemRYK056ZWZvMm8yUzNkUT09>

Or join by phone: (408) 638-0968 (US Toll) or (646) 558-8656 (US Toll)

**The Attendance code will be listed in the chat at the beginning of the presentation and every 20 minutes thereafter until the conclusion.**

Please text the attendance code to the Grand Rounds Attendance number: (866) 327-3062 or log into the CloudCME website: <http://CME.arizona.edu> and enter the attendance code.

- Please make sure to enter your cell phone number in your profile
- Please note that the attendance code is different each week

Attendance codes are only valid 15 minutes before the activity start time and for 24 hours after the activity end time.

**Overall Activity Objectives:**

1. Incorporate new abilities and strategies to diagnose, manage and treat the complex neurological pediatric patient using the most relevant, up-to-date clinical information.
2. Analyze and apply the latest research, clinical data and American Board of Pediatrics (ABP) and American Board of Psychiatry and Neurology (ABPN) guidelines regarding various pediatric neuroscience disorders.
3. Implement improvement in pediatric healthcare and safety issues for various pediatric neurological conditions so as to facilitate practice-based learning and systems-based practice.
4. Counsel patients and families on short-term and long-term prognoses and treatment options for a variety of neurological conditions in the pediatric population.
5. Translate knowledge into practice improvement with the goal of improving outcomes of patients with pediatric neurological and psychiatric disorders.
6. Improve patient care outcomes for children with complex neurological conditions by integrating up-to-date information and research to determine the best course of action.

**Accreditation Statement:**

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of The University of Arizona College of Medicine – Tucson and Phoenix Children’s Hospital. The University of Arizona College of Medicine – Tucson is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The University of Arizona College of Medicine – Tucson designates this Live Activity for a maximum of 1.00 AMA PRA Category 1 Credit(s)<sup>™</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**Relevant Financial Relationships Statement(s):**

University of Arizona College of Medicine - Tucson Office of Continuing Medical Education adheres to the ACCME's Standards for Integrity and Independence in Accredited Continuing Education. Any individuals in a position to control the content of a CME activity, including faculty, planners, reviewers or others are required to disclose all financial relationships with ineligible entities (commercial interests). The CME office reviewers have nothing to disclose. All relevant financial relationships have been mitigated prior to the commencement of the activity.
