

Congenital anomalies of the urinary tract

November 25, 2024 – 3:00 PM
Amy N Sussman, MD:

Tucson

Overall Activity Objectives:

- 1 Apply appropriate screening protocols for kidney diseases in clinical practice.
- 2 Diagnose various renal conditions accurately.
- 3 Provide guideline-based management of kidney disease.
- 4 Review recent advances in biomarkers and how those advances help practitioners diagnose AKI and CKI.
- 5 Develop comprehensive treatment plans for patients with renal disorders.

Accreditation Statement:

The University of Arizona College of Medicine - Tucson is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The University of Arizona College of Medicine - Tucson designates this Live Activity for a maximum of 1.00 *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Relevant Financial Relationships Statement(s):

University of Arizona College of Medicine - Tucson Office of Continuing Medical Education adheres to the ACCME's Standards for Integrity and Independence in Accredited Continuing Education. Any individuals in a position to control the content of a CME activity, including faculty, planners, reviewers or others are required to disclose all financial relationships with ineligible entities (commercial interests). The CME office reviewers have nothing to disclose. All relevant financial relationships have been mitigated prior to the commencement of the activity.
