

COM-P Medicine Grand Rounds 2025

Carson #1 - Red Blood Cell Transfusion in Cardiac Patients: How long can we go?

December 5, 2025 – 8:00 AM
Other

Overall Activity Objectives:

- 1 Diagnose and manage a wide range of clinical conditions that require primary and specialty care.
- 2 Create and implement optimal patient care plans within the context of our healthcare system.
- 3 Refer patients to specialty providers, as appropriate.
- 4 Apply evidence-based treatment approaches to patient care that will result in improved patient outcomes.
- 5 Reduce the incidence of medical errors.
- 6 Incorporate compassionate care that addresses and improves health inequities.

Session Objectives:

- 1 To articulate the association between anemia, cardiovascular disease and mortality.
- 2 To articulate the evidence on transfusion threshold in patients with myocardial infarction.
- 3 To articulate the guidelines on transfusion threshold in patients with myocardial infarction.

Accreditation Statement:
