## Medication Safety in Acute Care

### Anne-Michelle Ruha, MD, FACMT

Medical Director, Banner Health Pharmacy Services

Professor, Department of Internal Medicine and Emergency Medicine

University of Arizona College of Medicine – Phoenix

#### Objectives:

- Understand the current state of patient safety, with a focus on medication safety, globally, nationally, and at Banner Health.
- Discuss medication safety events: what they are, how they occur, and ways to prevent them.
- Review system processes and healthcare provider behaviors and actions that can prevent patient harm due to medication errors.

This session will be open to clinicians, residents, students, and all others.
