

Arizona Perinatal Psychiatry Access Line (APAL) Grand Rounds 2025

APAL Grand Rounds: The Other Postpartum: Pregnancy Loss and Mental Illness

August 15, 2025 – 12:00 PM
Online

Overall Activity Objectives:

- 1 Recognize patients with common and costly perinatal mood disorders, as well as who is at highest risk.
- 2 Identify appropriate public health model screening tools to diagnose PMADs and other perinatal mood disorders.
- 3 Initiate treatment for perinatal mood disorders and other pregnancy related conditions using safe medication options for pregnancy and lactation.

Session Objectives:

- 1 Review our current knowledge base on perinatal loss and mental illness.
- 2 Appreciate that grief and mental illness often exist together and must be screened for and treated.
- 3 Discuss best practices and specific considerations for this population.

Accreditation Statement:

The University of Arizona College of Medicine - Tucson is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.
