Overall Activity Objectives:

- 1 Identify and treat specific pediatric problems addressed in the RSS using evidence-based practice to enhance and improve clinical care.
- 2 Recognize areas of pediatric providers' current practice that are no longer meeting current evidence base and standards of care, subsequently utilizing said evidence to change/update clinical practice.
- 3 Increase recognition of more challenging pediatric medical issues, thereby improving on time needed to implement appropriate treatments.
- 4 Implement corrective plans to address the knowledge gap or process gap in morbidity/mortality event, closing the system or safety issue and, thus, improving patient safety in practice.
- 5 Treat various pediatric hematologic conditions properly when they do not require specific hematologic consultation.
