

# Arizona Telemedicine Program Connected Healthcare Webinar Series 2025

## Envenomations, intoxications and travel-related diseases: More common than you think! What to do.

February 12, 2025 – 12:00 PM

Online

### Overall Activity Objectives:

- 1 Identify three key healthcare resources that are often limited or inaccessible to rural physicians and healthcare professionals.
- 2 Explain the impact of incorporating connected care models on patient outcomes and access to healthcare in rural settings.
- 3 Describe strategies for implementing and integrating telemedicine platforms, referral networks, and interdisciplinary collaboration into clinical practice to enhance healthcare delivery in resource-limited areas.
- 4 Develop effective communication skills to coordinate with specialists, collaborate with interdisciplinary teams, and engage patients in their care to enhance healthcare delivery in resource-limited areas.

### Session Objectives:

- 1 Describe the epidemiology of the presented infections.
- 2 List three clinical presentations of Orf virus and HIV.
- 3 Describe the treatment for symptoms from presented infections.
- 4 Identify treatment prevention options for HIV exposure.

### Accreditation Statement:
