

COM-P Medicine Grand Rounds 2025

Carson #2 - Transfusion in High-Risk Clinical Settings: Heart, Brain, and the Gut

December 5, 2025 – 12:00 PM
Phoenix

Overall Activity Objectives:

- 1 Diagnose and manage a wide range of clinical conditions that require primary and specialty care.
- 2 Create and implement optimal patient care plans within the context of our healthcare system.
- 3 Refer patients to specialty providers, as appropriate.
- 4 Apply evidence-based treatment approaches to patient care that will result in improved patient outcomes.
- 5 Reduce the incidence of medical errors.
- 6 Incorporate compassionate care that addresses and improves health inequities.

Session Objectives:

- 1 Describe risks related to anemia.
- 2 Explore adverse effects of transfusions.
- 3 Discuss trial data related to transfusion thresholds in high-risk clinical settings.

Accreditation Statement:

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of The University of Arizona College of Medicine - Tucson and University of Arizona College of Medicine - Phoenix .
