Neuroscience Grand Rounds

Demystifying SUDEP: What We Know, What We Don't, and How We Talk About Risk

Winter Tate, DO
Child Neurology Resident PGY-4
Barrow Neurological Institute at Phoenix Children's

Learning Objectives

At the conclusion of this activity, participants will be able to:

- Describe the epidemiology, risk factors, and proposed mechanisms of sudden unexpected death in epilepsy (SUDEP).
- Identify evidence-based strategies to reduce SUDEP risk in children and adolescents with epilepsy.
- Apply practical approaches to discussing SUDEP risk and prevention with patients and families.

Winter Tate, DO is a PGY-4 resident in Child Neurology at Barrow Neurological Institute at Phoenix Children's Hospital. Originally from South Texas, she attended Texas A&M University for her undergraduate education and went on to earn her medical degree from Burrell College of Osteopathic Medicine at New Mexico State University. During her training, she developed a strong interest in pediatric epilepsy and caring for children with complex and refractory epilepsy, which has led her to pursue a career in pediatric epileptology. She plans to pursue fellowship training in pediatric epileptology following residency.

Virtual Live Streaming Neuroscience Grand Rounds
Monday's from 7:00 – 8:00 a.m.

Zoom Information: CNI Grand Rounds
Meeting ID: 993 7837 3233

Join from PC, Mac, iOS or Android:
https://PhoenixChildrensHospital.zoom.us/j/99378373233?pwd=UXBudHZLemRYK056ZWZvMm8yUzNkUT09

Or join by phone: (408) 638-0968 (US Toll) or (646) 558-8656 (US Toll)

The Attendance code will be listed in the chat at the beginning of the presentation and every 20 minutes thereafter until the conclusion.

Please text the attendance code to the Grand Rounds Attendance number: (866) 327-3062 or log into the CloudCME website: http://CME.arizona.edu and enter the attendance code.

- Please make sure to enter your cell phone number in your profile
- Please note that the attendance code is different each week

Attendance codes are only valid 15 minutes before the activity start time and for 24 hours after the activity end time.

Overall Activity Objectives:

1. 1 Incorporate new abilities and strategies to diagnose, manage and treat the complex neurological pediatric patient using the most relevant, up-to-date clinical information.

2 Analyze and apply the latest research, clinical data and American Board of Pediatrics (ABP) and American Board of Psychiatry and Neurology (ABPN) guidelines regarding various pediatric neuroscience disorders
3 Implement improvements in pediatric healthcare and safety issues for various pediatric neurological conditions so as to facilitate practice-based learning and systems-based practice.
4 Counsel patients and families on short-term and long-term prognoses and treatment options for a variety of neurological conditions in the pediatric population.
5 Translate knowledge into practice improvement with the goal of improving outcomes of patients with pediatric neurological and psychiatric disorders.
6 Improve patient care outcomes for children with complex neurological conditions by integrating up-to-date information and research to determine the best course of action.

Session Objectives:
1 Identify the clinical differences in pediatric neuroimmunological conditions.
2 Describe the breadth of diagnostic studies and treatment options in pediatric neuroimmunological conditions.

2. **Accreditation Statement:**

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of The University of Arizona College of Medicine - Tucson and Phoenix Children's Hospital The University of Arizona College of Medicine - Tucson is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The University of Arizona College of Medicine - Tucson designates this Live Activity for a maximum of 1.00 *AMA PRA Category 1 Credit(s) ™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Relevant Financial Relationships Statement(s):

University of Arizona College of Medicine - Tucson Office of Continuing Medical Education adheres to the ACCME's Standards for Integrity and Independence in Accredited Continuing Education. Any individuals in a position to control the content of a CME activity, including faculty, planners, reviewers or others are required to disclose all financial relationships with ineligible entities (commercial interests). The CME office reviewers have nothing to disclose. All relevant financial relationships have been mitigated prior to the commencement of the activity.

Name of individual	Individual's role in activity	Nature of Relationship(s) / Name of Ineligible Company(s)
