

PCH Genetics, Genomics, and Metabolism Grand Rounds 2026

PCH Approach to Vascular Anomalies and the Role of Genetics

6/4/2026

June 4, 2026 – 2:00 PM

Online

Overall Activity Objectives:

- 1 Utilize clinical practice updates on known genetic disorders, including updates from national professional societies.
- 2 Delineate current and emerging state of the art diagnostic technologies and interpretation.
- 3 Employ as appropriate emerging therapeutics for genetic and metabolic disorders.
- 4 Incorporate into practice current research pertinent to the understanding or reinterpretation of genetic disorders.

Session Objectives:

- 1 Review the 2025 framework for classifying vascular tumors/malformations/syndromes
- 2 Discuss approach to patients with vascular anomalies
- 3 Review diagnosis, management and treatments, utilizing imaging, histopathology and advanced molecular techniques for vascular malformations
- 4 Discuss new and emerging concepts in VAs

Accreditation Statement:

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of The University of Arizona College of Medicine - Tucson and Phoenix Children's. The University of Arizona College of Medicine - Tucson is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The University of Arizona College of Medicine - Tucson designates this Live Activity for a maximum of 1.00 *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Relevant Financial Relationships Statement(s):

University of Arizona College of Medicine - Tucson Office of Continuing Medical Education adheres to the ACCME's Standards for Integrity and Independence in Accredited Continuing Education. Any individuals in a position to control the content of a CME activity, including faculty, planners, reviewers or others are required to disclose all financial relationships with ineligible entities (commercial interests). The CME office reviewers have nothing to disclose. All relevant financial relationships have been mitigated prior to the commencement of the activity.
