COM-P Department of Radiology Grand Rounds 2026 - 11/23/2026

November 23, 2026 – 7:00 AM

Overall Activity Objectives:
1 Improve Diagnostic Accuracy and Timeliness: Demonstrate improved ability to accurately interpret radiological images, leading to timely and precise diagnoses of various medical conditions.
2 Enhance Patient Management and Treatment Planning: Develop more effective patient management plans based on radiological findings, leading to optimized treatment strategies and improved patient outcomes.
3 Optimize Utilization of Imaging Resources: Demonstrate improved judgment in the appropriate utilization of imaging resources, minimizing unnecessary studies and radiation exposure while ensuring comprehensive patient evaluation.
4 Increase Interdisciplinary Collaboration and Communication: Foster enhanced collaboration and communication with other members of the healthcare team, leading to improved care coordination, seamless transition of patient information, and better-informed clinical decision-making.
5 Implement Evidence-Based Practices and Guidelines: Integrate evidence-based practices and guidelines into their clinical decision-making processes, ensuring adherence to best practices and optimal patient care standards.
6 Promote Continuous Learning and Professional Development: Cultivate a culture of continuous learning and professional development within their radiology practice, actively seeking out opportunities for education, training, and quality improvement to stay updated on the latest advancements in the field and enhance their skills and knowledge.
