

Neuroscience Grand Rounds 2026

Neuroscience Grand Rounds 2026 - 9/4/2026

September 4, 2026 – 8:00 AM

Overall Activity Objectives:

- 1 Incorporate into practice current evidence-based practices to get patients with stroke the most appropriate treatment/intervention in the shortest time possible.
- 2 Incorporate disease modifying therapies into the treatment plan for individuals with multiple sclerosis based on the most current clinical research and professional society guidelines and the underlying science regarding mechanism of action.
- 3 Evaluate patients with neuromuscular disease for the use of the latest treatments, based on evidence-based guidelines and publications.
- 4 Treat patients with migraine with the latest agents and strategies when traditional treatments fail.
- 5 Refer patients with Parkinson's disease and other movement disorders for neuromodulatory treatments sooner in their treatment paradigm.
- 6 Incorporate ethical constructs into the delivery of care and communication with patients and their families.

Session Objectives:

- 1 Recognize that the chronic stroke brain remains biologically active, with persistent immune, vascular, and metabolic remodeling occurring months to years after the initial ischemic event.
- 2 Discuss emerging biomarkers of chronic post-stroke inflammation and neurodegeneration and evaluate their potential utility for identifying ongoing pathology, monitoring disease progression, and guiding therapeutic development.
- 3 Assess the translational potential of emerging immunomodulatory therapies aimed at improving long-term outcomes after ischemic stroke.

Accreditation Statement:

The University of Arizona College of Medicine - Tucson is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The University of Arizona College of Medicine - Tucson designates this Live Activity for a maximum of 1.00 *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Relevant Financial Relationships Statement(s):

University of Arizona College of Medicine - Tucson Office of Continuing Medical Education adheres to the ACCME's Standards for Integrity and Independence in Accredited Continuing Education. Any individuals in a position to control the content of a CME activity, including faculty, planners, reviewers or others are required to disclose all financial relationships with ineligible entities (commercial interests). The CME office reviewers have nothing to disclose. All relevant financial relationships have been mitigated prior to the commencement of the activity.

Name of individual	Individual's role in activity	Nature of Relationship(s) / Name of Ineligible Company(s)
