Sevaro Grand Rounds 2026

Sevaro Grand Rounds 2026 - Stroke Response Nurses in the Telestroke Workflow

December 2, 2026 – 2:00 PM
Online

Overall Activity Objectives:
1 Recognize, evaluate, and manage neuro-critical care cases using evidence-based, multidisciplinary approaches appropriate for critically ill patients with acute neurologic emergencies.
2 Review and interpret pertinent neurologic imaging and diagnostic studies related to common and complex neurologic conditions.
3 Analyze and compare management options for common and complex neurologic cases, including evidence-based alternatives when standard approaches are not sufficient.
4 Apply updated American Heart Association recommendations and other evolving neurology guidance to patient care when appropriate.
5 Coordinate multidisciplinary care and referral decisions for patients with neurologic disease across inpatient, outpatient, and tele-neurology settings.
6 Counsel patients and families regarding diagnosis, treatment options, secondary prevention, and longitudinal neurologic management.

Accreditation Statement:
This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of The University of Arizona College of Medicine - Tucson and Sevaro Health Inc.. The University of Arizona College of Medicine - Tucson is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The University of Arizona College of Medicine - Tucson designates this Live Activity for a maximum of 1.00 *AMA PRA Category 1 Credit(s)™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 1.00 MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

Relevant Financial Relationships Statement(s):
University of Arizona College of Medicine - Tucson Office of Continuing Medical Education adheres to the ACCME's Standards for Integrity and Independence in Accredited Continuing Education. Any individuals in a position to control the content of a CME activity, including faculty, planners, reviewers or others are required to disclose all financial relationships with ineligible entities (commercial interests). The CME office reviewers have nothing to disclose. All relevant financial relationships have been mitigated prior to the commencement of the activity.
